SKIN DARK AS COAL

Eczema Afflicts a Well-Known Gentleman. Pliable Subject to Look Upon. Suffered Terribly. Whole Body Covered.

Given up by San Francisco Doctors. Might Have Saved \$600, as He Was Cured for \$6 by Cuticura Remedies.

I have many times studied over what CUTICURA had done for me; it has restored me to good health and happiness, for before I tried CUTICURA Remedies I was given up by all the doctors in San Francisco; but if I had only taken a certain gentleman's advice and tried CUTICURA REMEDIES sooner, I should certainly have saved from \$500 to \$600. I was a most pitiable subject to look upon with eczema, and suffered terribly. I was almost as dark as coal from my head down to my knees on both legs, and after that it broke out all over my body; but after using half a dozen boxes of CUTICURA Remedies I was perfectly restored to good health, and have enjoyed the same ever since (which is for over two years). A great number of people visit my establishment, and I have told hundreds of people what CUTICURA has done for me, but have thought that I ought to write and let you know, so that you can refer anyone in this country to me.

BY WIRE.

SPECIAL DISPATCHES TO PROSPECTOR.

INDICTED.

EL PASO—The United States court at Las Cruces has adjourned. The grand jury found only two indictments and they were against the young men from Silver City, who abducted the two young Herring girls under promise to marry them. The father of the girls on hearing from their own lips that they had been ruined, being unable to stand the disgrace took his own life.

BAD RATE.

WORCESTER—The weeks old twin babies of Mrs. Lane were attacked by rate last night while the mother was asleep and their faces horribly mutilated before Mrs. Lane was awakened. The children will recover but disfigured for life.

FAILURE.

INDIANAPOLIS—A special from New man to the News says: The bank at Christman 16 miles east of this city closed its doors and the officials are reported missing. The failure is due to speculation on the board of trade and is estimated at from \$80,000 to \$120,000.

MME BOULANGER.

PARIS—Mme Boulanger, the wife of General Boulanger who is living at Versailles was overcome with grief when informed of her husband's tragic death in the cemetery of Ixelles near Brussels. She fainted twice within a short time after hearing the sad news and is at present very much depressed in spirits.

COLD WEATHER.

St. PAUL, Minn.—Reports from the west say that it is snowing in Montana and over a large portion of the British possessions. Last evening the temperature was two degrees below freezing at Helena and the cold wave was rapidly moving eastward.

ONE VOTE AGAINST.

NEW YORK—At a meeting of the chamber of commerce the following was adopted:

Resolved, That in the opinion of the chamber of commerce of the state of New York, the existing law compelling the purchase by the government of 4,500,000 ounces of silver per month is against the public welfare and should be repealed.

An animated discussion followed, in which several members participated, developing considerable diversity of opinion, but when the resolution was brought to a vote there was but one feeble "No" heard.

THE RAINMAKER.

False Economy

is practiced by many people, who buy inferior articles of food because cheaper than standard goods. Surely infants are entitled to the best food obtainable. It is a fact that the Gail Borden "Eagle" Brand Condensed Milk is the best infant food. Your grocer and druggist keeps it.
